Dear,

Thank you for choosing the ARCTIC P311.

This compact sports headset is perfect for running, the gym or even housecleaning. It was developed with a strong focus on battery life, lightweight and snug fitting, yet offering dynamic sound with a crisp bass.

I hope you enjoy the P311 and we at ARCTIC look forward to further enriching your life with our products. If you would like to share how you use ARCTIC's products please do so at <https://www.facebook.com/ARCTIC.en>

ARCTIC is a fully carbon neutral company and your support helps us to compensate every kilogram of CO2 we produce. Thank You.

Sincerely,

Charging the Headset

Your headphone is delivered with a battery partially charged for safety reasons. Before use, ensure to charge it fully. A normal charging process take about 2-3 hours.

Precautions

- 1) Avoid extreme volume. Long term exposure to loud music may cause hearing damage.
- 2) The radio waves emitted by the headset and wireless transmitter can affect the operation of nearby electronics including medical devices.
- 3) Keep the unit in a cool, dry place.
